

The Best Little School by The Beach

Prep to Year 7

Just five minutes walk from the famous Mooloolaba Beach and set in over four hectares of open and shaded grounds, Mooloolaba State School provides excellent educational, cultural and sporting programs for children from Prep to Year 7. Its grounds boast two large sporting ovals, three adventure playgrounds, two tennis courts, an environmentally pristine wallum forest, and two outdoor performance spaces.

With only half the number of students (< 450) as other nearby state and private schools, Mooloolaba State School offers room for your child to learn and play in a safe, healthy and friendly atmosphere. Our educational and extra-curricular programs make excellent use of these facilities.

Programs include -

- Readers Cup
- Jnr & Snr Choirs
- Year 7 Guitar Lessons
- Instrumental Music
- Learn to Surf
- Beach Fun Run
- Guided Games
- Out of School Hours Care
- Interschool Sports

School Highlights

Mooloolaba State School is a member of the Mountain Creek Cluster of schools. It works closely with the highly acclaimed Mountain Creek State High School to ensure a seamless transition from Yr 7 to Yr 8. In 2007, our focus has been on developing innovative curriculum projects in mathematics and science including -

The ASISTM Maths Project (2007)

The ASISTM Science Project—Innovate Now 2007

After working with University staff our teachers are now recognized as leaders in these curriculum fields throughout Queensland and Australia.

Learning for the Future

Learning Technology

Mooloolaba State School students enjoy a computer to student ratio of better than 1:3 which is almost 200% better than the state average. In addition, the school boasts two air-conditioned computer labs, data projectors, electronic

whiteboards and students and teachers use digital still and movie cameras in many curriculum programs to enhancing the learning experiences for our students.
